FILM & EPISODIC

A rectangular image showing a dense, repeating pattern of hexagons in various shades of brown, tan, and gold, creating a textured, honeycomb-like appearance.

WHY PROXIMA MILANO

The art of storytelling: images, sounds, and emotions

Creativity, production, visual effects and sound come together in a single ecosystem, where each project comes to life with a unique identity.

Human Propelled – AI Enhanced

Where technology serves creativity, as a tool for crafting creativity.

Agility and Scalability

From digital to physical, from advertising to brand identity, we design and create cross-media projects with a modular production approach.
