TRADE FAIRS AND EXHIBITIONS

NAC Expeditions is the perfect partner for your shipment about exhibition goods to the fair of your interest. We take care of all steps of shipment with door to door service, from pick-up at your warehouse to final delivery to the booth.

We can provide the most appropriate type of packaging, support you on customs procedures and coordinate deliveries to your chosen location.

We boast of consolidated partnerships with major exhibition sites around the world, providing on-site assistance to exhibitors and additional exhibition services: empty packaging service, stand building, intermediate warehouse and much more.
