# AUTOMOTIVE AND MOTORBIKES CLASSIC, VINTAGE AND MOTORSPORT

The experience of over twenty years in Shipping and Logistics for Motorsport Competitions, Concerts, and Itinerant theatrical tours has allowed us to follow and assist in the better way all the logistical operations for world-famous events (WTCC, MXGP, Grand Prix2, ...).

We also offer shipments of new, used/vintage cars and motorbikes and supercars together with components, in Europe by land freight and outside Europe, by sea and by air freight. We complete our assistance and services following all the necessary customs formalities and offering the best actual coverage insurance.
