

Gruppo Airlogistica

servizi logistici integrati
e trasporto container

Our History

From 2008 to Today's Excellence

2008

Founding

Beginning of the journey in the logistics and container transport sector with a dedication to operational excellence

2024

Strategic Integration

Merger between **Aircontainer Srl** and **Airlogistica Srl** under the brand **Gruppo Airlogistica**, creating a complete and competitive operator

The strategic merger combines consolidated experience in national and international transport with specialization in container logistics and customs warehousing, creating a complete, reliable, and competitive operational reality in the European logistics landscape.

About Us

A Reliable Partner for Your Logistics

Our Mission

Airlogistica Group is an **integrated logistics operator** specializing in container transport, customs services, and warehousing. We provide complete, efficient, and customized logistics solutions for companies operating in national and international trade, distinguishing ourselves by the ability to offer a **complete door-to-door service** managing every phase of the supply chain.

Door-to-Door Service

Complete management of the logistics chain from goods pickup to final delivery, with real-time tracking.

Customs Operations

Specialized expertise in import/export customs clearance, fiscal deposits, and management of international regulations.

Special Cargo

Consolidated experience with dangerous goods (IMO), ADR transport, and specialized loads with updated certifications.

International Presence

Strategic partnerships in Italy, Europe, and Africa with a reliable network for global operations.
