

The background of the image is a light-colored, possibly white or off-white, surface with prominent, irregular, greyish-brown veins running diagonally from the top-left towards the bottom-right. This creates a marbled or marble-like texture.

GIOIE

1978 MILANO®

GIOIE

1978 MILANO®

Founded in **Milan in 1978**, the brand embodies the timeless excellence of **Italian craftsmanship**, blending **tradition** and **innovation** with refined **elegance**.

Specializing in the creation of **unique jewelry**, each piece is **meticulously handcrafted** using fine crystals, **Murano Glass**, and natural stones. These elements are harmonized through **centuries-old techniques**, such as the delicate insertion of gold and silver leaf, resulting in creations that reflect **beauty, heritage, and artisanal passion**.

Philosophy

All our creations are **entirely handmade** by master artisans using meticulous techniques that have been continuously developed and refined over the years. **The finest raw materials**, combined with exquisite craftsmanship, make each piece of jewelry a unique **work of art**.

QUALITÀ ARTIGIANA

Our company was selected in 2023 for the **“Qualità Artigiana”** recognition by the Lombardy Region, an important grant that rewards **excellence and innovation** in the artisanal sector. This award certifies the distinctive quality of our products and our commitment to preserving and strengthening **the artisan culture and identity** in the Lombardy area.

ATTIVITÀ STORICHE

In 2024, our company received the prestigious **“Attività Storiche”** recognition from the Lombardy Region, an initiative that honors businesses operating continuously for at least 40 years. This award highlights our dedication to **quality craftsmanship** and our commitment to preserving and passing down local traditions.

EXPO 2025 OSAKA

The company has been designated as an Italian excellence selected for **EXPO 2025 in Japan**. This prestigious recognition, granted only to the most representative ambassadors of **Made in Italy**, certifies the uniqueness of its creations, where **italian craftsmanship** merges with a **contemporary and sophisticated design**.

An honor that made it possible to present to the Japanese and **international audience** the very best of Italian manufacturing tradition within the exclusive context of the **World Expo**, the **global showcase** of excellence.

PRODUCT TECHNICAL SHEET

Metal: Brass

Plating: 24k Gold / Rhodium

Crystal: High-refractive optical glass

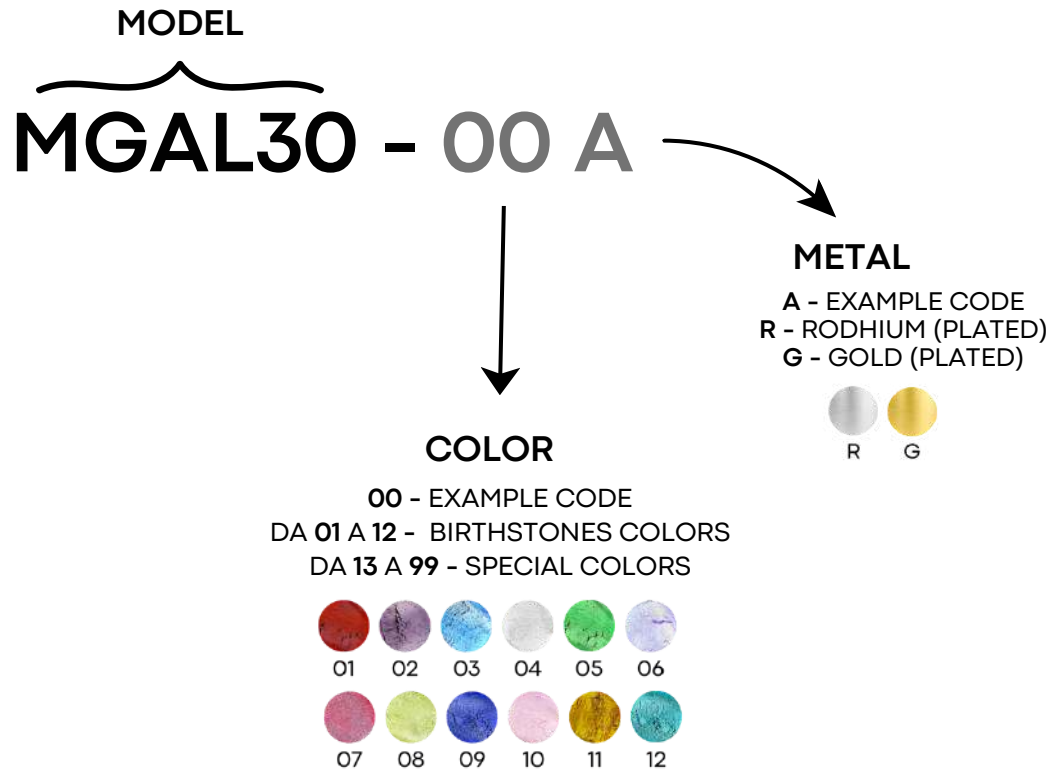

Glass: Murano glass

Glass Core: 24k Gold leaf / 999 Silver leaf

Hypoallergenic: Yes – Nickel Free

Products compliant with European Directive 94/27/EC and REACH Regulation. Nickel-free (no nickel release), suitable for sensitive and allergic skin. All metal components are free from cadmium and lead, in accordance with current regulations.

CODE KEY

IMPORTANT

THE GREY SECTION AFTER THE DASH MUST BE REPLACED WITH THE COLOR AND METAL CODE TO DETERMINE THE ITEM.

EXAMPLE

MODEL: MGAL30

COLOR: 09 (BLUE)

METAL: G (GOLD)

ITEM CODE

MGAL30 - 09G

KINTSUGI

JAPAN INSPIRATION - EXPO OSAKA 2025

The **Kintsugi Collection** reinterprets the ancient Japanese art of repairing with gold. Golden veins on **Murano glass** enhance imperfection, turning it into a mark of elegance, resilience, and authenticity. In honor of **Expo 2025**

Osaka, the collection embodies the dialogue between **Italy and Japan**, celebrating a union of heritage, creativity, and innovation as the official line of this encounter between **tradition and the future**.

SAKURA

JAPAN INSPIRATION - EXPO OSAKA 2025

The **Sakura Collection** is inspired by the cherry blossom, a symbol of beauty and renewal. Featuring **Murano Glass** and precious **Crystals**, it evokes the delicate grace of petals, creating timeless and refined jewelry. In honor of **Expo 2025 Osaka**, the collection celebrates the connection between **Milan and Osaka**, two cities united by creativity, culture, and innovation, establishing itself as the official line of this encounter between tradition and the future.
