THE LUTHIER.

Bonwook Koo. Korean precision in Cremona.

A personal vision expressed through a carefully structured instrument portfolio.

A DIRECT RELATIONSHIP WITH THE MAKER.

Bonwook Koo is a Korean luthier based in Cremona, Italy. His work connects Korean discipline and precision with the living heritage of Cremonese violin making.

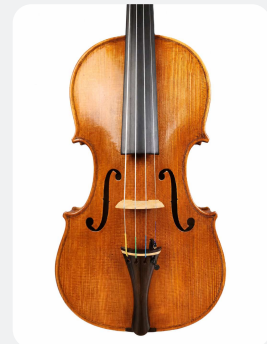

Trained in Cremona and graduated from Academia Cremonensis, he has developed a distinctive approach centred on sound, balance, careful material selection and direct dialogue with musicians.

KOO Violins offers a progressive portfolio: accessible study instruments selected and developed under KOO standards, professional instruments for demanding musical work, and extremely limited luthier editions personally conceived, crafted and signed by Bonwook Koo.

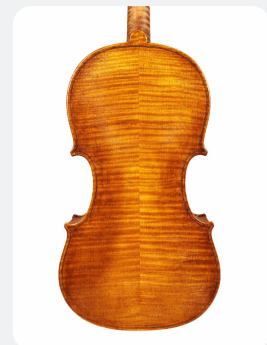

ONE STANDARD ACROSS EVERY CATEGORY.

Clear positioning, consistent presentation and direct technical guidance from the Cremona atelier.
