

BOLCATO EMPORIO SRL

TRADE OF TANNERY MACHINES AND SPARE PARTS

NEW, SECOND-HAND OR FULLY RECONDITIONED MACHINES

About us

Bolcato Emporio S.r.l. was established in 2017 in Arzignano - heart of the Veneto Leather District - to develop and enhance the Bolcato Group's commercial focus on the **reuse, refurbishment, and trading of both new and used machinery.**

It provides solutions for **leather processing**, such as **drums, machinery, consumables**, and **spare parts**.

We also supply machines and equipment for the **treatment of wastewater and industrial sludge**, including systems and components for water/sludge treatment lines, along with accessories and spare parts.

Our warehouse

Bolcato Emporio has a warehouse of over 20,000 square meters where a wide range of machinery and equipment is on display:

- Used and refurbished **drums for leather treatments**
- New, used, and refurbished **machines for the tanning industry**
- Engine spare parts, new and used **gearboxes** from all major brands
- New and used **tanks, pallets, stands,** and **presses** in various sizes and materials
- New, used, and refurbished **equipment for water treatment**
- Dismantling and installation of **shelving systems**, as well as the construction of machine safety guards.

We also supply **wooden, polypropylene, and steel drums** for tanneries, available **new, second-hand, or fully reconditioned**.

Desalating machines

Polypropylene drums

Steel drums

Drums for sampling

As for **new** wooden drums, our dedicated division, **Bolcato Stefano Group Srl**, manufactures **custom-made wooden drums,** with sizes up to 5000x5000 mm.
