Machinery, Equipment & Spare Parts from Arzignano

Used • Refurbished • New

Bolcato Emporio S.r.l., based in Arzignano, in the heart of Veneto's leather district, has specialized since 2017 in the trading of used machinery sold as-is, refurbished machinery and new industrial machinery, with a particular focus on equipment, spare parts and accessories for the leather industry.

Its product range includes a wide selection of machinery, equipment and spare parts for the leather industry, as well as for industrial wastewater and sludge treatment plants.

With a warehouse covering over 20,000 m², Bolcato Emporio offers an extensive stock of new, used and reconditioned machinery and equipment to meet a variety of industrial requirements.

Combining extensive stock availability with solid experience in the industrial sector, Bolcato Emporio provides reliable, high-quality and cost-effective solutions tailored to its customers' needs.
