ABOUT MERIDIA

MERIDIA is the own-label collection of alcostricot Holding, a knitwear factory in Como, Italy. Every piece is made in our own knitting department, from yarn selection to finishing: cashmere, fine wools and natural yarns, knitted in gauges 3 to 18.

This lookbook gathers the three lines: Loungewear for women and men, designed for the home and for hospitality, and Fuoriacqua, knitwear to wear after bathing, in spas, thermal baths and by the pool.

Every piece is also available as private label, under the customer's own brand.
