

**EXPO  
2030  
RIYADH**  
SAUDI ARABIA

Under the theme **Foresight for Tomorrow**, Expo 2030 Riyadh will empower participants to imagine a better world and take part in shaping it.

Expo 2030 Riyadh is a timely platform for bold ideas and visionary solutions, backed by \$7.9 billion in funding and rooted in Saudi Arabia's \$3.2 trillion transformation under Vision 2030.

Set to welcome over 40 million physical visits and around 197 countries, Expo 2030 Riyadh is set to be one of the largest and most inclusive Expos in history.

The Expo has three subthemes — **Transformational Technology**, **Sustainable Solutions**, and **Prosperous People**.

#### About the Expo site

Five districts

Transformational Technology

Sustainable Solutions

Prosperous People

Kingdom of Saudi Arabia

Global Collaboration

◆ **6 million sqm**  
total area

◆ **197 countries**  
expected to participate under the

allocated to participants'  
pavilion spaces

## Projected visitation

**40 million** total visits

**70%**  
domestic

**30%**  
international

## Masterplan design

- Site follows a modular, cellular design where each cell is self-sustaining
- Site includes Wadi Al Sulai as a central green corridor, supporting biodiversity, ecological resilience, and environmental sustainability
- Key venues include a 20,000-capacity conference center, 5000-capacity central plaza, and two 2,000-capacity Festival Stages

## Participation and pavilion planning

- Participants can choose from self-built pavilions, rented pavilions or Aid Package pavilions for eligible developing countries
- A USD \$343 million Partnership Program will support up to 100 eligible countries

## Expo 2030 Riyadh Legacy

After the event, the Expo 2030 Riyadh site will transform into a Global Village – a multicultural hub for retail, F&B, culture, and entertainment, fully integrated with a residential district, including 55,000 housing units and over 800,000 sqm for retail and F&B.

### About Riyadh City

Located in the heart of the Arabian Peninsula, Riyadh embodies both Saudi Arabia's rich heritage and its bold vision for the future as its capital city.

The vibrant architecture, cultural institutions, public spaces, and infrastructural development found across the city and broader country make it an ideal stage for a global gathering.

### Saudi Arabia's Ambitious Vision 2030 Program

Expo 2030 Riyadh aligns seamlessly with Saudi Arabia's Vision 2030 as a platform for innovation, sustainability, and global collaboration. Guided by HRH Crown Prince Mohammed bin Salman, Vision 2030 emphasizes economic diversification, net-zero emissions, and social empowerment. Expo 2030 Riyadh amplifies these priorities, showcasing progress and advancing shared, global goals.
