Original wording:

"The proposals of the bidding companies will be opened and evaluated on:

- Public Session, September 23rd, 2020, at 10:00am: opening of the offers. It will be ascertained that the envelopes contain envelope A. "Tender Documentation", envelope B. "Technical Bid" and envelope C "Economic Bid".

During the same session, the content of envelope A “Documentation” will be checked and reviewed.

Any incomplete, irregular or incorrect contents in envelope A “Documentation” will be ascertained and notified to the offering company. Pursuant to Art. 83, Par. 9 of Legislative Decree No. 57/2017, the offering company will be given a deadline for the presentation of the correct documentation.

The deadline will be September 24th, 2020, at 12:00pm

Public Session, September 24th, 2020, at 3:00pm: opening and checking the content of envelope B “Technical Bid”.

The Selection Committee consists of members appointed by the Director of ITA Tokyo Office, in quality of Sole Responsible of the Procedure for ITA (RUP). The Committee will decide at its discretion and without appeal.

The Committee will meet in one or more Closed Sessions (from September 24th, following the Public Session), to review and evaluate the content of envelope “B – Technical Bid”, assigning a score to each item up to a total of 80. Companies that fail to reach at least a total of 50 will not be admitted to the third phase concerning the evaluation of the Economic bid.

The Committee will meet again on the next public session, as follows:

· Public Session, September 28th, 2020, at 3:00pm: opening and checking of envelope C.”Economic Bid”. A score will be assigned to each bid and results will be put on record. Finally, the Commission will award the tender.”
