Welcome Address by the Trade Commissioner

It is my great pleasure to invite you to visit 2 Italian companies at BCT EXPO 2023, the leading exhibition for construction industry, organized by IMPACT Exhibition and Convention Center.

Italy has a rich history of construction and architecture. We have been at the forefront of creating marvels that have withstood the test of time, and today, we are proud to carry forward this legacy through our modern advancements and innovations in the field.

On this occasion, I am delighted to inform you that visiting the Italian companies at BCT EXPO 2023, you will have a chance to meet our exhibitors that represent a cutting-edge technology of the Italian construction sector, involved in drilling equipment for ground engineering and geotechnics; and manufacturer of machines and equipment for the production of prestressed concrete elements.

Here we represent a showcase of products and services along with our commitment towards sustainable development and urbanization. We aim to demonstrate how Italian craftsmanship, design, and innovation are contributing towards building smarter and more sustainable cities for the future.

We warmly invite you to explore our companies, interact with our exhibitors, and learn more about how Italian ingenuity is shaping the future of construction. We believe that this platform will inspire new discussions, foster collaborations, and lead to the formation of strong business relationships.

I genuinely wish you a remarkable experience at BCT EXPO 2023.

Giuseppe Lamacchia

Italian Trade Commissioner in Bangkok

TRADE AND INVESTMENT

OPEN DOORS TO A WORLD OF OPPORTUNITIES

L'ICE-Agenzia per la promozione all'estero e l'internazionalizzazione delle imprese italiane è l'organismo attraverso cui il Governo favorisce il consolidamento e lo sviluppo economico-commerciale delle nostre imprese sui mercati esteri. Agisce, inoltre, quale soggetto incaricato di promuovere l'attrazione degli investimenti esteri in Italia. Con un'organizzazione dinamica, motivata e moderna e una diffusa rete di uffici all'estero, l'ICE svolge attività di informazione, assistenza, consulenza, promozione e formazione alle piccole e medie imprese italiane. Grazie all'utilizzo dei più moderni strumenti di promozione e di comunicazione multicanale, agisce per affermare le eccellenze del Made in Italy nel mondo.

ITA - Italian Trade Agency is the Governmental agency that supports the business development of our companies abroad and promotes the attraction of foreign investment in Italy.

With a motivated and modern organization and a widespread network of overseas offices, ITA provides information, assistance, consulting, promotion, and training to Italian small and medium-sized businesses. Using the most modern multi-channel promotion and communication tools, it acts to assert the excellence of Made in Italy in the world

Importer / Distributor in Thailand: ***Searching for Importer / Distributor in Thailand***

NORDIMPIANTI was founded in 1974 by Nunzio Gagliardi as a small family business to respond to the growing market demand for plant and machinery in prestressed concrete industry in Italy. He was soon using his engineering expertise to improve upon existing designs and very quickly the enterprise turned into a manufacturing business.

Today NORDIMPIANTI stands as a global leader as manufacturer of machines and equipment for the production of prestressed concrete elements. The elements are used in flooring systems or as wall panels in a vast range of residential, civil, industrial and infrastructure construction applications.

NORDIMPIANTI has an in-house team of professionals, all experts and experienced in their fields.

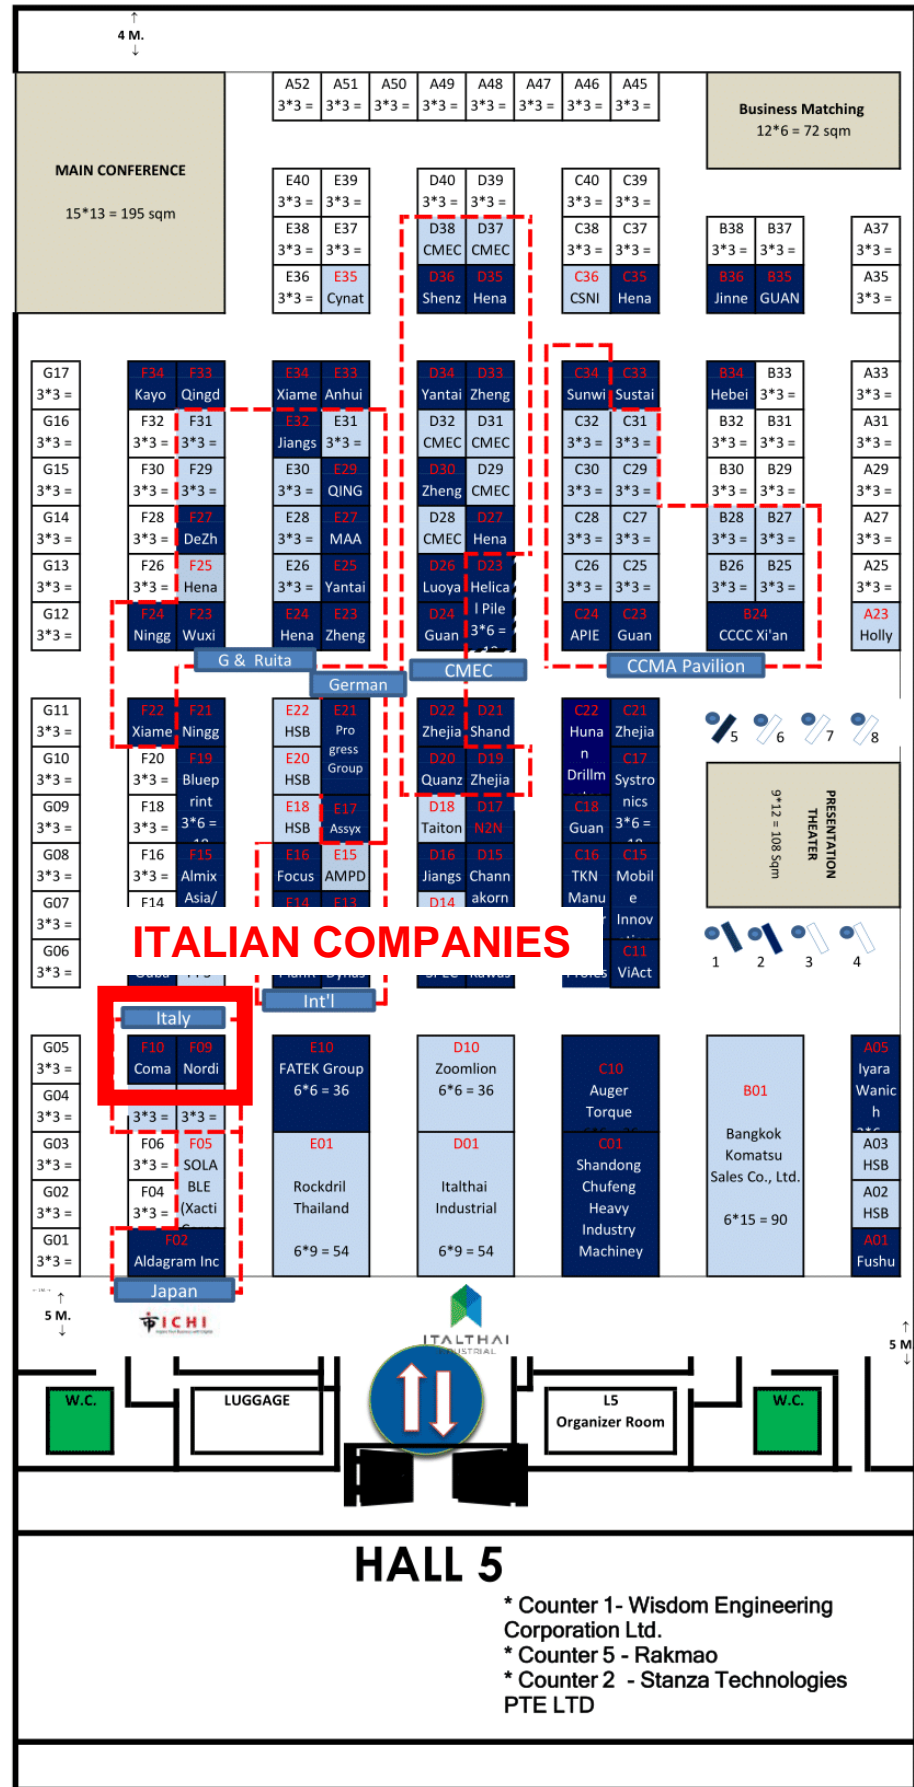

With its Extruder, Slipformer and Wet Casting technologies, it has a strong product portfolio offering all the ancillary machines required to make producing elements as efficient and as cost effective as possible.

Beyond equipment, NORDIMPIANTI offers consultancy services, addressing technical inquiries right up to the design of complete factories, to help expand and refurbish existing facilities or to advise, support and supply green field start up investments.
