ITA is the Governmental agency that supports the business development of our companies abroad and promotes the attraction of foreign investment in Italy. With a motivated and modern organization and a widespread network of overseas offices, ITA provides information, assistance, consulting, promotion and training to Italian small and medium-sized businesses. Using the most modern multi-channel promotion and communication tools, it acts to assert the excellence of Made in Italy in the world.

ITA supports Italian businesses abroad and attracts foreign investment. The ITA Office in London organizes events to promote Italian companies at sector-specific trade in the UK fairs like Surface Design Show and CDW. Additionally, we collaborate with top Italian trade fairs, curating exclusive, invitation-only business trips for a select group of highly qualified architects, interior designers, journalists, and industry professionals to premier events like Salone del Mobile, MarmoMac, and Cersaie.
