# FEDERUNACOMA

Via Venafrò 5 | 00159 Roma, RM - Italy

☎ +39 06432981 | ✉ info@federunacoma.it | 🏠 www.federunacoma.it

Italian Agricultural Machinery  
Manufacturers Federation

FederUnacoma represents a broad sector of mechanics that brings together the following associations of producers: Agridigital, digital systems and technologies for agricultural machinery and farmer; Assoidrotech, irrigation systems; Assomao, agricultural implements; Assomase, self-propelled machines; Assotrattori tractors; Comacomp, components for agricultural machines and gardening; Comagarden, gardening machinery. The Federation acts as an umbrella organisation for seven industry associations representing various sectors of the agricultural, forestry and gardening machinery industry, with the aim of promoting mechanisation and technological innovation to meet the different needs in agriculture and green care. Through FederUnacoma the Italian mechanisation enterprises are able to interface with institutions, promoting innovation, business culture and their presence in national and international markets.

## BARBIERI SRL

Via Seccalegno 23 | 36040

Sossano (Vi) - Italy

☎ +39 0444885722

✉ [info@barbieri-fb.com](mailto:info@barbieri-fb.com)

🏠 [www.barbieri-group.com](http://www.barbieri-group.com)

With 64 years of experience, Barbieri Group offers a range of versatile machines among the most comprehensive in the industry, catering to both small agricultural facilities and the gardening sector. All models have been optimized in design and updated technically, thus meeting the needs of even the most discerning operator. The choice of innovation adds to the tradition of a brand that has become synonymous with quality and market presence alongside customers.

Barbieri's mission remains unchanged: to stay constantly abreast of the times and, in certain cases, even be "futuristic" in small agricultural mechanization while maintaining the characteristics that users have consistently recognized over the years—reliability, innovation, and productivity.

## BCS SPA

Viale Mazzini 161 | 20081

Abbiategrasso (Mi) - Italy

☎ +39 294821

✉ [stefano.chiurco@bcs-ferrari.it](mailto:stefano.chiurco@bcs-ferrari.it)

🏠 [www.bcs-ferrari.it](http://www.bcs-ferrari.it)

BCS Group is a leading multinational company in the mechanization industry.

It designs and manufactures agricultural and greens maintenance machinery, autonomous electrical power systems and mobile welding equipment.

BCS stands for us and for our customers a quality concept: 100 importers around the world and 700 dealers in Italy chose us.

## BELLON SRL

Via Belladoro 17 | 35010

Cadoneghe (Pd) - Italy

☎ +39 049700930

✉ [commerciale@bellon.it](mailto:commerciale@bellon.it)

🏠 [www.bellon.it](http://www.bellon.it)

Bellon is a company specialized in designing and constructing Rotary drum and disc mowers and mower-conditioners.

With over forty years of experience in the agricultural field, Bellon sells its products in Italy and worldwide.

Always attentive to market requirements, Bellon offers a wide range of high-performance machinery, adapting to all types of soil and crops.

## CONCEPTAGRI SRL

Via Dell'artigianato 11 13 15 | 47014

Meldola (Fc) - Italy

☎ +39 3488154878

✉ [m.aleotti@conceptagri.com](mailto:m.aleotti@conceptagri.com)

🏠 [www.conceptagri.com](http://www.conceptagri.com)

Conceptagri agricultural machines are not only immediately recognisable by their red colour, but above all by the way they work in the field.

Manufacturing machinery since the early 1980s the products range from power harrows, rotovators and flail mowers for farms of all sizes.

DALLAI

Via Marco Polo 15 | 42046

Reggiolo (Re) - Italy

☎ +39 0522210811

✉ [trade@dallai.it](mailto:trade@dallai.it)

🏠 [www.dallai.it](http://www.dallai.it)

Dallai manufactures and sells quick coupling connections.

We produce quick couplings ranging from Ø50 mm to Ø450 mm, suitable for various applications such as irrigation, dewatering, wastewater management, mine drainage, land drainage, and flood control.

All our products are made and designed in Italy.

Dallai - Connecting the World.

## EUROCARDAN SPA

Via Firenze 25 | 66041

Atessa (Ch) - Italy

☎ +39 087288471

✉ [info@eurocardan.it](mailto:info@eurocardan.it)

🏠 [www.eurocardan.it](http://www.eurocardan.it)

Eurocardan was founded in 1982 as a response to the needs of manufacturers of agricultural machinery, who were looking for reliable cardan transmissions.

Full Made in Italy means full control of the entire process: from R&D, to transformation of the materials and assembly, to testing and final checks with the support of specialized and sophisticated test benches.

## FARESIN INDUSTRIES SPA

Via Dell'artigianato 36 | 36042

Breganze (Vi) - Italy

☎ +39 0445800300

✉ faresin@faresin.com

🏠 [www.faresin.com](http://www.faresin.com)

Faresin Industries, based in Breganze (Vicenza), designs, manufactures and sells worldwide feed mixer wagons and ration analysis instruments for the livestock sector and telescopic handlers for agricultural and industrial use.

## FAZA SRL

Via Giuseppe Antonucci 19 | 06012

Citta' Di Castello (Pg) - Italy

☎ +39 3371420032

✉ [info@fazasrl.com](mailto:info@fazasrl.com)

🏠 [www.fazasrl.com](http://www.fazasrl.com)

Faza Srl is an Italian OEM for tractor implements - soil preparation, fertilization, haymaking, gardening and snow/ice. It also manufactures implements for motorcultivators and animal tractioned.

The constant commitment and the study of different requirements, both for the Italian and foreign markets lead to the manufacturing of state-of-the-art equipment.

The banner features the FAZA logo in red and green, with the text 'MACCHINE AGRICOLE' below it. A QR code is located in the top left corner. The central text reads 'LAMMA 2024'. Four images showcase different agricultural machines: a red harrow, a red and yellow fertilizer spreader, a red disc harrow, and a red tractor pulling a harrow in a field.
