FEDERUNACOMA

Italian Agricultural Machinery
Manufacturers Federation

🏠 Via Venafrò 5 | 00159 Roma, RM - Italy

☎ +39 06432981 | ✉ info@federunacoma.it | 🌐 www.federunacoma.it

Special Event | 14 January | 16:00 at the Italian Pavilion |

Press Conference by FEDERUNACOMA | EIMA International 2026 (Bologna, 10-14 November)

FederUnacoma has been representing the interests of a broad sector of mechanics within Confindustria's system since 1945. The Federation groups the associations of Italian manufacturers in the field of machinery, equipment and technology for agriculture, gardening and green keeping and related components.

Companies represented by the Federation play a key role on the international stage, holding high-ranking positions in terms of production capacity, breadth of range and effectiveness in meeting the most various demands of the agricultural and related sectors. Through FederUnacoma the Italian mechanisation enterprises are able to dialogue with institutions, promoting innovation, business culture and their presence in national and international markets.

FederUnacoma provides member companies with the necessary services for business development in the following areas: Communication, Trade fair events, Training, Internationalisation, Lobbying, Technical standards, Studies and statistics. The Italian Agricultural Machinery Manufacturers Federation, brings together, and represents in Italy and abroad, the associations of Italian manufacturers of digital systems and technologies for agricultural machinery and farming (Aggridigital), irrigation systems (Assoidrotech), implements (Assomao), selfpropelled machines (Assomase), tractors (Assotrattori), components (Comacomp) and gardening machinery (Comagarden).

OpportunItaly is a business acceleration programme promoted by ITA – the Italian Trade Agency – and the Ministry of Foreign Affairs and International Cooperation. It is designed to foster commercial connections between international buyers, distributors, entrepreneurs, and Italian companies through digital business matching services and content focused on the strategic sectors of Made in Italy.

The programme supports the export and internationalisation of Italian companies in key global markets, both established and emerging.

*Join the programme that accelerates your business through
the excellence of Made in Italy*

Discover the complete business acceleration programme at opportunitality.gov.it

The OpportunItaly Buyers Club offers international professionals a set of benefits, including the opportunity to meet Italian companies at major global trade fairs with the support of ITA's local trade analysts. Members may also request priority access to receive invitations to visit with ITA the main Italian trade fairs.

Join the Club to access these and other benefits

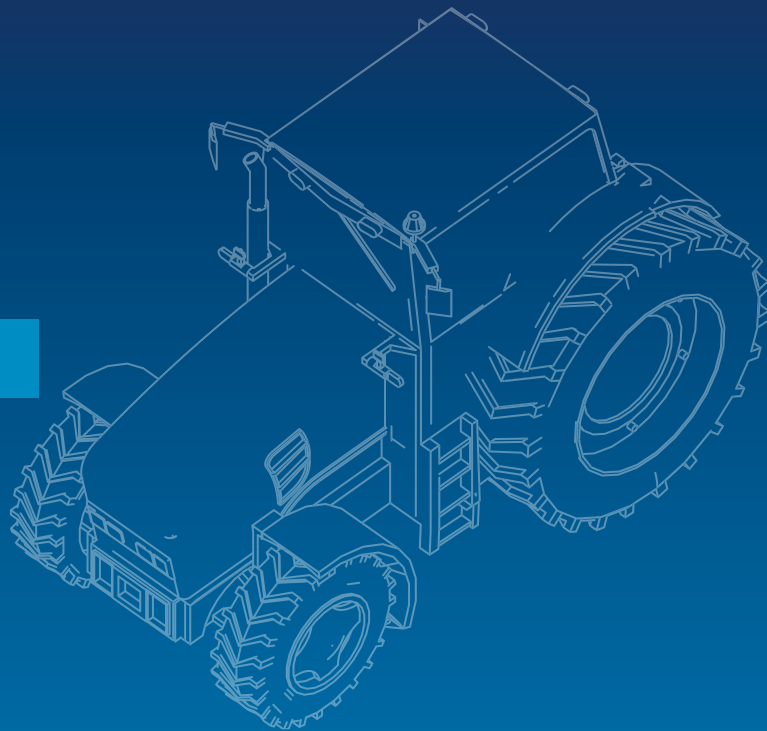

OpportunItaly Buyers Club is reserved for businesses that want to build real value through Made in Italy, thanks to high-quality relationships, exclusive content and customised support.

ANNOVI REVERBERI

🏠 Via M. L. King
41122 Modena, Italia
☎ +39 059414411
✉ infoar@annovireverberi.it
🌐 www.annovireverberi.it

Founded in Italy, Annovi Reverberi Spa is a leading company in the design and production of pumps and high-pressure systems for the agricultural and industrial sectors.

With strong technical expertise and continuous investment in research and development, the company offers reliable, innovative, and high-performance solutions.

The quality of materials, attention to detail, and ability to meet the needs of a global market make Annovi Reverberi an international benchmark for those seeking efficiency, durability, and cutting-edge technology.

BELLON SRL

🏠 Via Belladoro 17
35010 - Cadoneghe (PD)

☎ +39 049700930

✉ i.vettore@bellon.it

🌐 www.bellon.it

For over 50 years, Bellon Srl has been designing and manufacturing high-quality DISC MOWERS and MOWER CONDITIONERS for professional agricultural use. Founded in Italy, the company combines traditional craftsmanship with cutting-edge technology to deliver durable, efficient, and reliable machinery. Bellon products are renowned for their robust construction, ease of maintenance, and excellent cutting performance in all field conditions.

Thanks to decades of experience and continuous innovation, Bellon has become a trusted partner for farmers and distributors worldwide. Each machine is entirely designed and produced in-house, ensuring maximum quality control and customization. Bellon's mission is to support modern agriculture with dependable solutions that enhance productivity and respect the land.

50 YEARS OF **SUCCESS AND PROGRESS**

BUTTI SRL

🏠 Via Simone Mayer 13
24034

☎ +39 035 787300

✉ grafica@butti.it

🌐 <https://www.butti.it/>

BUTTI designs and manufactures high-quality equipment for the agricultural sector, with a strong focus on durability, practicality and safety. Among our most valued products are our push brooms with polypropylene brushes, engineered specifically for demanding farm environments such as barns, stables, feeding areas and outdoor yards.

Made with high-density, wear-resistant bristles, these brooms deliver excellent sweeping performance even on uneven floors, mud, bedding residues and dust, ensuring long-lasting efficiency with minimal maintenance.

BUTTI brooms are compatible with all main agricultural machines – including telehandlers, tractors, loaders and any vehicle equipped with forks.

Robust, reliable and built for heavy-duty use, BUTTI solutions help farmers keep their workspaces cleaner, safer and more efficient every day.

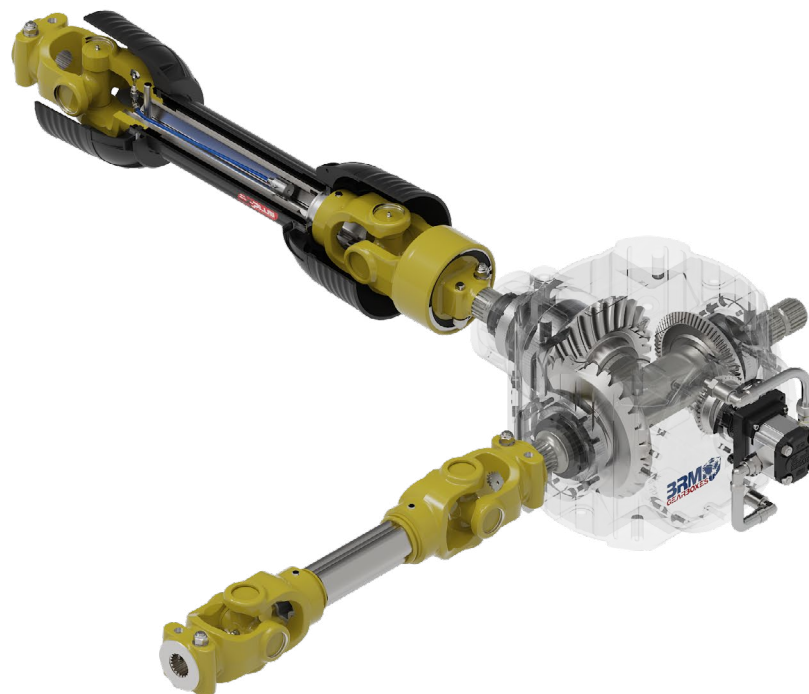

EUROCARDAN&BRMGearboxes

🏠 Via Firenze 25
66041 Atessa (CH)
☎ +39 0872 88471
✉ info@eurobrm.it
🌐 www.eurobrm.com

Eurocardan S.p.A. and BRM Gearboxes S.r.l., leading Italian companies in the design and manufacture of components for agricultural, forestry, and groundskeeping machinery, announce a new strategic alliance.

Central to this alliance is the new joint Eurocardan-BrmGearboxes brand, which reflects the equal significance of the two partners, and the new communication strategy will highlight the potential of the integrated Full Made in Italy solutions.

The objective is to establish themselves as the preferred partner in the industry by offering complete and tailored transmission systems, capitalizing on the synergies of their quality excellence and customization expertise.

ILGOM TUBI SRL

🏠 Viale Fratelli Kennedy, 16
10070 Robassomero, (TO)

☎ +39 099 9890717
