PUBLIC NOTICE FOR THE ESTABLISHMENT OF THE REGISTER OF SUPPLIERS OF GOODS, SERVICES AND WORKS OF THE ITA AMMAN OFFICE

This Contracting Authority of ITA AMMAN intends to set up a Register of Suppliers in order to select the economic operators to be invited to the procedures for the acquisition of works, services and supplies which, from 1 January 2024, must necessarily be carried out electronically through the use of Digital Procurement Platforms, in accordance with the provisions of Italian national legislation.

The Register of Suppliers is the tool through which the territorial offices of the ITA-Agency intend to proceed with the identification of companies qualified to provide the works, supplies and services it needs to perform its promotional and institutional activities.

Registration in the register is free of charge and can be done throughout the year by connecting to the dedicated page which can be accessed from the following link:

<https://ice.trasparenza.com> - section "**SUPPLIERS' LIST**"

The registration procedure is simple, to be carried out online, and involves only a few activities on the part of the supplier interested in offering its cooperation to ITA- Agency.

It is suggested to read the "Suppliers Register Regulation" and fill in the supplier registration form available on the same page.

Operators' data will be collected and processed exclusively for the purposes permitted by law in accordance with current privacy legislation (EU Reg. No. 679/2016). For further information, it is possible to visit the dedicated page by typing the web address: <https://www.ice.it/en/index.php/privacy>
