ABK Group Studio incorporates the main collections designed and produced by ABK GROUP to meet the needs of planners and designers. It is a creative space where you can explore the pick of our commercial brands, each of which has its own distinctive character but also operates together to offer an unrivalled range of ceramic surfaces. This complete and diversified portfolio of proposals is the result of the most advanced production technologies and 100% Made in Italy design.

ABK Group has established a position in the ceramic market as a versatile partner guaranteeing a “total look” solution for any design requirement. Thanks to its wide range of materials ABK Group stretches from traditional tiles, available in countless colour variants and surface possibilities, to wall tile decorations that can interpret any architectural style. Thanks to its highly advanced technologies, the ABK Group has also added large porcelain stoneware slabs to its range. This highly versatile solution is ideal for innumerable applications, from maxi wall tiles and façades to tops and design furnishings. ABK Group is therefore the perfect choice for anyone looking for a single supplier in the ceramic sector who can guarantee complete, customised, cutting-edge solutions.

MADE IN ITALY

Ceramiche Keope is an Italian ceramic company of the Gruppo Concorde that studies, designs and produces porcelain stoneware floor and wall tiles in Italy. Since its foundation in 1995 in Casalgrande (Reggio Emilia), it has enjoyed a successful development and its products are now present in more than 80 countries around the world, with an annual production of over 5 million square meters.

The company offers beautifully designed solutions with high technical performance for both outdoor and indoor environments, in commercial, public and residential spaces. Ceramiche Keope products do not emit organic substances, do not provoke allergies and are easy to clean. The quality and beauty of its products are the result of investments in technology and a strong commitment to developing high-performance production. Moreover, porcelain stoneware does not fear alterations and aggressions such as knocks, abrasions, fire, frost, humidity, weight, or climate and preserves the color and appearance of the first day over time.

We are an Italian company active in international markets since 1962 and part of Gruppo Concorde, a world leader in the ceramic industry. Our goal is to enhance living spaces with the beauty of Italian design, while respecting people, the environment, and our stakeholders. We believe true sustainability means having a positive impact in every area we operate. Our management system listens to people's needs and respects the social and environmental context.

We provide the world of architecture and interior design with a wide range of porcelain stoneware solutions. We are able to satisfy even the most complex needs of our customers while guaranteeing the quality of our products and all related elements of health and safety. Our laboratory is the beating heart of our company and we stand out in the market thanks to our unique and creative approach. We believe that the synergy between technological innovation and artisan experimentation is the key to develop a Made in Italy product of the highest aesthetic and technical quality.

ETRURIA design began with a dream. The dream of giving new form and new life to the romance and creativity of the early 1900s that were the genesis of design as we know it today. Tradition, Three-Dimensionality, Colour and Design are the distinctive elements of ETRURIA design 'Made in Italy' manufacturing mission.

ETRURIA design is excited to launch in the UK market its collections made for the hospitality world, but also ideal for private projects. TOWER, XXS, and the newest XXS-3D and VINTAGE collection are thought to bring particularity of the three dimensionality to each kind of project. The technical full-body porcelain floor tile and the brilliant double firing wall tile will create special atmospheres.

☎ (+39) 015672370

🏠 www.gruppobardelli.com✉ m.dellavedova@gruppobardelli.com**Giuliana Cacciari**✉ g.cacciari@gruppobardelli.com

 The logo for Gruppo Bardelli features a large, stylized number '3' in black, followed by the words 'GRUPPO' and 'BARDELLI' in a bold, sans-serif font.

 Below the main logo, there are three smaller logos: 'appiani' in a bold, lowercase font, 'Ceramica VOGUE' in a smaller font, and 'Ceramica Bardelli' in a bold, lowercase font.

Gruppo Bardelli is an Italian ceramic surfaces manufacturer comprising Ceramica Bardelli, Appiani, and Ceramica Vogue—each with a distinct identity: decorative design, technical mosaics, and coloured porcelain stoneware. All collections are made in Italy with a focus on sustainability. In 2025, the Group launches new collections and invests in research, design, and international growth.

Gruppo Bardelli offers high-quality ceramic surfaces through three specialist brands:

- Ceramica Bardelli: decorative wall tiles and design collections, including Segmenti, a refined 5x20 cm listel series, and Sinfonia, a craquelé-effect wall tile with nanotech protection
- Appiani: full-body porcelain mosaics for interiors, exteriors, pools and wellness areas, including Coriandoli, an ultra-thin hexagonal mosaic in vibrant colours
- Ceramica Vogue: glazed porcelain stoneware in solid colours for floors and walls, featuring Vogue System, a complete chromatic and modular system for architecture and interior design.
