SANT'AGOSTINO**

The company, with more than fifty years of history, is an international company that with a forward-thinking mentality, has preserved its values and traditions. Stylistic and technological research into coherent designs aimed at ensuring quality of materials has always been central and pursued with passion. The high aesthetic and technical performance of its products are the result of distinctive choices, which led the brand to imprint its own mark in the world industry of porcelain tiles.

## CERAMICHE KEOPE

s.s.467, 21

Casalgrande

(Reggio Emilia), 42013

+39 0522 997511

info@keope.com

<http://www.keope.com>

We're an Italian ceramics company producing porcelain stoneware. Our tested design experience lies in careful technological and creative research, fueled by our business relationships. Each product brings our traditional and new values with it. From classic collections to the most avant-garde, everything follows a safe path in which the dialogue between new dimensions of material and architecture grows more and more intimate.

## CERAMICHE PIEMME

Via Del Crociale 42/44

Fiorano Modenese

(Modena), 41042

☎ +390536849466

✉ [n.ferretti@ceramichepiemme.it](mailto:n.ferretti@ceramichepiemme.it)

🏠 <https://www.ceramichepiemme.it/>

# CERAMICHE PIEMME

FLOOR AND MORE

The protagonist of Made in Italy since 1962. The solutions we provide are the result of more than 60 years of activity made of research, experience, and passion. We use the latest generation of tools and select the highest quality raw materials for our products. We work with companies that share our values and are committed to offering solutions and processes that have less impact on the environment.

# EDIMAX CERAMICHE ASTOR

## EDIMAX ASTOR CERAMICHE

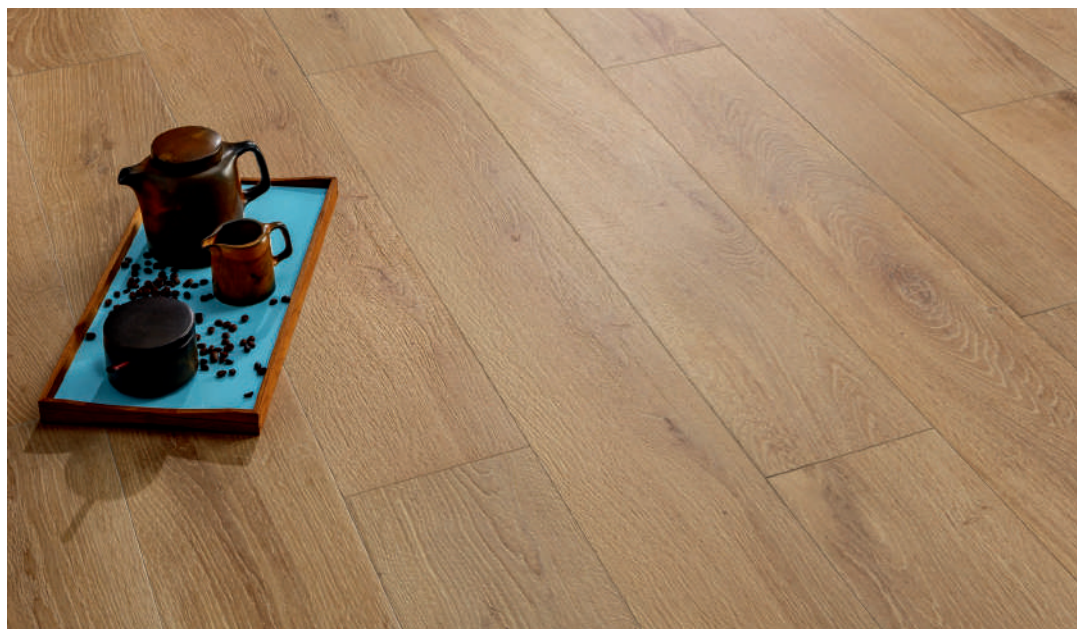

Via Statale 569 N. 234  
Solignano Di Castelvetro  
(Modena). 41014

+39 059748911

✉ FAndres@edimaxastor.it

🏠 <https://www.edimaxastor.it>

EDIMAX ASTOR CERAMICHE exhibits its new ceramic collections for floors and walls at CDW as part of Ceramics of Italy. The Italian factory highlights different solutions in 3D Shaped technology where the structure is in perfect synchrony with the graphic design. This exalts the material which becomes very realistic in the reproduction of details such as veins or reliefs.

**ETRURIA DESIGN**

Via Jugoslavia 74/76

Modena

(Modena), 41122

☎ +39 059 452188

✉ [info@etruriadesign.it](mailto:info@etruriadesign.it)🏠 <https://www.etruriadesign.it/>

ETRURIA design began with a dream: giving new life to the creativity of the early 1900s. After bringing back into production three architectural icons of the early 1900s, the diamond faceting tile, Art Déco covering frames, and the hexagonal Cementina floor tile, the company has launched the new project keeping with its original distinctive elements of its 'Made in Italy' manufacturing mission: Tradition, Three-Dimensionality, Colour and Design. CONCETTO SPAZIALE, XXS, TOWER.

## FAP CERAMICHE

Via Ghiarola Nuova, 44

Fiorano Modenese

(Modena), 41042

+39 0536 837511

info@fapceramiche.com

www.fapceramiche.com

Using imagination to offer products and solutions able to express the personality of the occupants throughout the home: this is FAP's mission, inspired by the ceramic district par excellence, where age-old traditions team with on-going evolution. Fap ceramiche tiles are produced exclusively in Italy, using carefully selected raw materials and environmentally friendly technologies, in safe, certified working conditions.

## GRUPPO CERDISA RICCHETTI

info@quintessenzaceramiche.it

www.quintessenzaceramiche.it

# QUINTESSENZA

— CERAMICHE —

Quintessenza Ceramiche was founded in 2013 in the Sassuolo ceramic district, the cradle of ceramic culture. Vision: "Meeting the design and creative needs of architects and interior designers by offering a myriad of colour combinations, shapes and surfaces that can be paired together."

## SETTECENTO MANIFATTURA CERAMICA

Via del crociale 21

Fiorano Modenese

(Modena), 41042

+39 0536 928717

info@settecento.com

www.settecento.com

'SETTECENTO  
MANIFATTURA CERAMICA

Settecento Manifattura Ceramica: passion for work and love for materials are our drive for creating with craftsmanship warm finishes. We design surfaces starting from hand made skills in order to dedicate the outmost care and accuracy to details. The industrial process is implementing and refined the product's perfection with best quality standards.

**SIMAS**

Via Falerina KM 3

Civita Castellana

(Viterbo), 1033

☎ +39 0761 518161

✉ [simas@simas.it](mailto:simas@simas.it)🏠 [www.simas.it](http://www.simas.it)

# simas

Ceramic bathroom creations since 1955. Exclusively made in Italy, developing modern, cutting-edge trends which will set the pace for the future. Simas has continued to evolve with two prerogatives: production exclusively made in Italy, and each product strictly produced within the factory. Saving energy has been a top priority for Simas; for the last fifteen years resources have been carefully maximized during the cycle of production which is highly energetically demanding.

## TONALITE

Via Costa 8  
Sant'Agata Bolognese  
(Bologna), 40019  
☎ +39 0519 57253  
✉ [info@tonalite.it](mailto:info@tonalite.it)  
🏠 [www.tonalite.it](http://www.tonalite.it)

Tonalite's products have been designed to be a medium by which creativity can come to life. The Tonalite products have been conceived with in mind a wide range of colours and with a complementary and versatile variety of shapes and special trims. This enhances Tonalite's design-oriented culture in which matter is seen as a mean to reinvent space. Ceramic is the element that allows the designer to overcome the limits of a concept, creating an original project.

**VALLELUNGA & CO.**

www.vallelungacer.it

## Vallelunga & Co.

Vallelunga & Co. The story of Vallelunga & Co. dates back over 40 years to 1976 and a creative intuition, a passion for excellence which saw the company focus firstly on the double-firing process and decorative elements before moving onto single firing and later porcelain stoneware, a harmonious blend of technology and aesthetics. Our background and experience are our impetus for creating innovative and sophisticated products, the utmost expression of 'Made in Italy'.
