The Italian Trade Agency (ITA) is the Governmental agency that supports the business development of our companies abroad and promotes the attraction of foreign investment in Italy. With a motivated and modern organization and a widespread network of overseas offices, ITA provides information, assistance, consulting, promotion and training to Italian small and medium-sized businesses. Using the most modern multi-channel promotion and communication tools, it acts to assert the excellence of Made in Italy in the world

ITA supports Italian businesses abroad and attracts foreign investment. The ITA Office in London organizes events to promote Italian companies at sector-specific trade in the UK fairs like Surface Design Show and CDW. Additionally, we collaborate with top Italian trade fairs, curating exclusive, invitation-only business trips for a select group of highly qualified architects, interior designers, journalists, and industry professionals to premier events like Salone del Mobile, MarmoMac, and Cersaie.

Cassa Depositi e Prestiti (CDP) is a joint-stock company under public control acting as the Italian National Promotional Institution. We use responsibly national savings to support sustainable growth, infrastructure, local development and the competitiveness of Italian businesses in Italy and abroad – from start-ups to large industrial players – through financing, equity and advisory solutions that drive innovation, growth and international expansion.

DP Business Matching is an innovative platform created to connect Italian companies with international partners. The digital tool aims to support Italian companies, particularly SMEs, in meeting new international partners and strengthening economic and trade relations with foreign companies. The tool automatically matches Italian and foreign companies based on the business intentions specified during the registration to the platform and host digital B2B meetings. Registration to the platform, attending thematic events and webinar as well as digital B2B meetings are totally free of charge for all interested companies.
