The gowns are light of hand, floral inspired and very textural, all favorite details of Mr. Ingram's.

Mark Ingram Collection is produced and distributed by Valentini Spose. After spending time in the Valentini design studio in Puglia, Mr. Ingram was enamoured with the beautiful fabrics and embroideries Italy had to offer.

He loved using silk mikado, 4 ply silk crepe, silk satin chiffon and most especially rose gold brocade organza. "It has always been a dream of mine to translate the classic, iconic bridal styles of the past for the modern bride of today.
