## HANDY THINGS YOU NEED TO KNOW

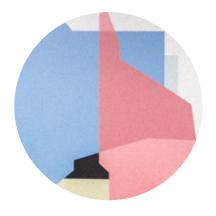

### MEDIA & SOCIAL MEDIA

A consistent message is important at Lot Fourteen so before you make any public announcements (social media, advertising etc.) please chat with our media team by emailing media@lotfourteen.com.au

Also, please don't get our name wrong—we're Lot Fourteen.

We like to share and would love you to as well! Tag us on social media when you're promoting your event.

#### **DELIVERIES**

Lot Fourteen's delivery and loading zones are supervised by traffic management staff so you need to let us know your delivery times before your event.

Use the delivery label for any small items (brochures, banners etc) you're getting sent to Lot Fourteen. Items are not stored securely so Renewal SA and Titanium Security don't take any responsibility for lost or damaged items.

Send couriers a map to help them find their way. You will need to meet your delivery on the day of the event.

#### **ACCESSIBILITY**

Access to hire spaces for mobility impaired guests is via the laneway where a ramp leads to the Eleanor Harrald and Margaret Craham buildings. Where possible, access requirements for the Eleanor Harrald Building should be provided in advance.

## FOOD & DRINKS

Events are always better with food!

Check out the options available from our pop up café *Mangiasti? Adelaide*.

Whether you order through *Mangiasti? Adelaide* or bring your own food, take any leftovers with you. That includes not leaving anything in the fridge.

If you're planning on enjoying a drink or two, let us know so we can supply you with the landlord letter of consent which needs to be included in your liquor license application. Consumer and Business

Services can take longer to approve your application if you don't send everything in one go.

#### **CETTING AROUND**

Buildings at Lot Fourteen are access-controlled to keep everyone safe. Chat to the Neighbourhood Host about whether you need to have your staff at building entry doors to let your attendees in.

We have directional signage to make it easier for people to find your event. Please let us know the official name of your event so we can include it on our signs.

# BORING THINGS YOU NEED TO KNOW

#### HOUSEKEEPING

We want everyone to be safe and enjoy Lot Fourteen, so make sure you let your attendees know the important housekeeping details including the fire evacuation process, Wi-Fi details and where the toilets are.

Lot Fourteen is a smoke-free site. To ensure the health and wellbeing of residents and visitors we ask you to highlight this to your attendees when welcoming them to Lot Fourteen.

## CLEANING & WASTE MANAGEMENT

Standard bins are provided in all spaces but if you have rubbish that doesn't fit, especially large boxes and corflute signs, please take your rubbish with you.

Additional cleaning fees of \$50 per hour may apply if the venue is not left in a clean and tidy state.

#### **CONSIDERATION**

Spaces are in buildings shared with Lot Fourteen's residents so consider how noisy you are in shared spaces or outside offices and we'll ask our residents to mind their manners too.

#### **SECURITY**

Security staff may be required at your event, particularly if it's a large public event or if you are serving alcohol. Lot Fourteen's authorised security contractor, Titanium Security, can provide casual services, including crowd controllers and senior first aid certified guards. You can coordinate your guard requirements directly with them.

## FURNITURE & EQUIPMENT

We have some furniture and tech equipment, including limited AV, which you can book.

## STORAGE & YOUR ITEMS

If you need something that we don't have, feel free to bring it or hire any other things you need, just remember there's no storage space so you need to take everything with you when your event finishes.

Don't forget to ensure all electrical equipment you're bringing is tagged and tested too.
