What is TED?

TED (Tenders Electronic Daily) is the online version of the 'Supplement to the Official Journal' of the EU, dedicated to European public procurement.

TED publishes 746 thousand procurement award notices a year, including 235 thousand calls for tenders which are worth approximately €545 billion.

How can I benefit from TED?

TED provides free access to business opportunities from the European Union, the European Economic Area and beyond.

Every day, from Monday to Friday about 2,400 public procurement notices are published on TED.

You can browse, search and sort procurement notices by country, region, business sector and more.

Information about every procurement document is published in the 24 official EU languages. All notices from the EU's institutions are published in full in these languages.

Why should I register on TED?

- to personalise search profiles, according to your needs;
- to get e-mail alerts based on your search profiles;
- to personalise RSS feeds for your web sites and RSS readers;
- to access the machine translation feature for all notices.
