# WATERJET CORPORATION S.R.L.

Stand No. Rashid B200

Waterjet Corporation, founded in Italy in 1991, manufactures NC machine tools for high-pressure waterjet cutting of various materials.

Our innovative Hydrofinishing system is eco-friendly, allowing surface decoration without abrasives.

This technique uses high-pressure water jets to create unique finishing effects while preserving the material's natural color and characteristics.

Viale G.B. Stucchi, 66/23
