WELCOME TO ITALIAN PAVILION

OIL AND GAS
ASIA 2024

Booth Number: 6013 - 6932

Italian Trade Agency (ITA), Embassy of Italy in Kuala Lumpur and Italian Ministry of Foreign Affairs and International Cooperation (MAECI), in collaboration with **ANIMA Confindustria Meccanica Varia** (Federation of Italian Associations of Mechanical and Engineering Industries), **Federazione ANIE** (represents the Electrical Engineering and Electronic companies operating in Italy), and **FEDERTEC** (Italian Association of Mechatronic Technologies and Components for Fluid Power, Power Transmission, Smart Automation and Control of Industrial Products and Processes) organised a collective participation in the 20th edition of **OIL & GAS ASIA (OGA 2024)**. This event stands as Southeast Asia's largest trade show dedicated to the oil, gas, and petrochemical engineering industry.

Italy's dedication to expertise, innovation, and quality makes it a dependable and competitive supplier in the global oil and gas industry, boosting the sector's efficiency and sustainability. The hallmark of Italian engineering, technological progress, and precision is reflected in the production of specialised equipment and components tailored for the oil and gas industry. These products are made from high-quality materials, adhering to stringent industry standards.

At **OGA 2024**, the Italian Pavilion will proudly feature **14 outstanding Italian companies** known for their superior products and services. These companies excel in industrial partnerships within the oil, gas, energy, and petrochemical engineering sectors, fostering the exchange of advanced technology and expertise.

List of Exhibitors

- ANTEA SRL
- DOUGLAS-CHERO SPA
- FLUITEK ORSENIGO VALVES SRL
- FORNOVO GAS SPA
- HOL - HOUSE OF LIQUIDS SRL
- ITALBEST VALVE SRL
- MATEC GROUP SRL
- ORIC ITALIANA SRL
- PETROSYSTEM SRL
- RAN INNOVATION SRL
- RINA CONSULTING SPA
- STEELTRADE SRL
- STF LOTERIOS SRL
- VALVITALIA SPA

Please refer to the subsequent pages of this booklet for more detailed information about each participant. In addition, the Italian Trade Agency (ITA) and ANIMA Confindustria Meccanica Varia are readily available to support and assist professional visitors and government procurement delegations in pursuing new products and technologies. Feel free to contact us for any inquiries or guidance you may need.

ITALIAN TRADE AGENCY (ITA)

ITA - Italian Trade Agency is the Governmental agency that supports the business development of Italian companies abroad and promotes the attraction of foreign investment in Italy.

In addition to its Rome headquarters, ITA operates worldwide through a large network of trade promotion offices, linked to Italian embassies and consulates.

ITA provides information, assistance, consulting, promotion, and training activities for the benefit of the Italian small and medium-sized companies and foreign companies as well.

ITA in Malaysia is the Trade Promotion Office of the Embassy of Italy in Kuala Lumpur. It covers a wide range of services, research of business partners, bilateral trade meetings, forum, and seminars with Italian experts, organising Italian pavilions at Malaysian major international trade fairs and exhibitions, accompanying local trade delegations to Italy and visits of industrial plants, etc.

ANIMA - FEDERATION OF ITALIAN ASSOCIATIONS OF MECHANICAL AND ENGINEERING INDUSTRIES

ANIMA Confindustria - Federation of Italian Associations of Mechanical and Engineering Industries, represents within confindustria companies of mechanical sector (225.000 employees, 55,54 billion Euro production and 57,8% export share - estimates 2023). Established in 1914, ANIMA numbers 31 associations and 1,000 companies, highly qualified in their sectors.

Macrosectors and technologies represented:

- **ENERGY GENERATION, CHEMICAL, OIL & GAS TECHNOLOGIES**
Machinery and Plants
- **BUILDING TECHNOLOGIES**
Plants and Construction
- **LOGISTICS TECHNOLOGIES**
Systems and machinery for Lifting, Elevation and Handling
- **FOOD TECHNOLOGIES**
Plants, Technology and Products for Food Industry
- **SAFETY, SECURITY & ENVIRONMENT**
Environmental & Personal Protection, Firefighting & Safety
- **INDUSTRY**
Plants, Components and Products for Industry

ANIMA safeguards interests of the mechanical industry, represents and promotes member-companies and their products in Italy and abroad, supports members both in technical and economic issues.

The companies joining ANIMA are strongly committed to promoting the energy transition in their business and production processes. A working group dedicated to research and application of Hydrogen and Nuclear for Energy Production is also active within the Federation.

FEDERAZIONE ANIE

Federazione ANIE, member of Confindustria, represents the Electrical Engineering and Electronic companies operating in Italy. With over 1,100 member companies, the ANIE system supplies technologies for public and private infrastructures in strategic markets such as energy, industry, building, infrastructures and transports. Electrical Engineering and Electronic technologies represent the heart of the twin transition – green and digital. They are drivers of innovation and are essential for the modernization of existing infrastructure.

ANIE Industry Figures for 2023:

- 103 billion Euros of total turnover
- 420,000 employees
- 4% intra-mural R&D expenditure on total turnover

FEDERTEC

In the highly developed context where product technology tends to converge, FEDERTEC, the Association representing the Italian industry of mechatronic technologies and components for fluid power, power transmission, smart automation and control of industrial products and processes, is the point of reference for the industrial automation sector, focused on the integration of the different technologies and aimed at representing the entire value chain. The member companies of FEDERTEC represent a leading part of the Italian economy and together, they show very remarkable values, with a global sector turnover exceeding 14 billion euro and a national market value of 10.3 billion euro at the end of 2023.

PETROSYSTEM SRL

PETROSYSTEM began its activities in 1978, in the Italian and worldwide market. Since then, we have been providing services to companies in the pipeline and instrumentation market, always seeking high-tech and proven solutions to ensure safety and productivity. Thanks to the technical and marketing knowledge and experiences of its founder Antonio Martone, began marketing products and can now sell products under the PETROSYSTEM brand. The constant selection of high-tech and high-quality products has always characterized PETROSYSTEM, leading to the consistent satisfaction demonstrated by our customers over the years. All the products we offer are always guaranteed and come with all the major certifications required (PED, ATEX, ASME, U-STAMP, etc). In addition, to selling and marketing products, PETROSYSTEM began offering equipment maintenance services and, in the pipeline sector, started offering services for the installation, cleaning, and maintenance of oil pipelines, gas pipelines, and water pipelines. Today, PETROSYSTEM focuses on constantly satisfying customers by providing products and services with increasingly higher quality content.
