

# Restriction on the entry of **FOREIGNERS** to the Czech Republic

**As of 30<sup>th</sup> January 2021 travelling to the Czech Republic for other than essential reasons is banned.**

Passengers arriving from the countries, that are not among the countries with a low risk of COVID-19 transmission, have to fill the Public Health Passenger Locator form before their arrival. It is also necessary to undergo testing on COVID-19 according to the rules applied to the category of the country regarding the risk of COVID-19 transmission. All passengers are required to have a confirmation of completion of the Passenger Locator form and test results with them throughout their stay in Czechia.

As a result of the crisis measures issued by the Government of the Czech Republic **it is not possible to travel to Czechia for the purpose of tourism or visiting friends.** Restaurants, accomodation facilities and ski resorts are closed at the moment.

It is possible to travel to and out of Czechia without necessity of filling the Public Health Passenger Locator form or submitting a PCR or antigen test result for the period of time not exceeding 12 hours. **However it is possible to travel for only limited reasons:**

- bussines meetings or other work performance
- obtaining basic needs
- journeys to medical facilities
- handling of urgent official matters
- funerals

Other rules for entering the Czech Republic for both EU+ and non-EU+ citizens are defined by the Ministry of Health Protective Measure.
