JEWELS OF ITALY

AMBASSADOR'S MESSAGE

Embassy of Italy
Singapore

The 20th edition of the Singapore International Jewellery Expo (SIJE) marks a significant milestone for one of the region's most established and respected jewellery exhibitions. Over the past two decades, SIJE has evolved into a vital platform for fostering business opportunities and cultural exchange within the global jewellery industry. Italy is proud to be represented by a strong and diverse presence at SIJE 2025. Thanks to the efforts of the Italian Trade Agency (ITA), the Italian Pavilion will host a selection of companies showcasing the excellence of Italian craftsmanship—ranging from intricate gold designs to the brilliance of fine gemstones. In total, more than 20 Italian companies will participate, either within the Pavilion, independently, or through local partnerships, reflecting the continued relevance of Italy's jewellery sector in global markets. A dedicated Italian Lounge will offer an elegant and exclusive setting for high-level B2B meetings, enabling meaningful exchanges between Italian exhibitors and regional stakeholders. Further supporting this engagement, ITA will bring a delegation of 13 qualified buyers from key regional markets—India, Indonesia, Vietnam, and Thailand—underscoring Singapore's strategic role as a regional trade hub for Southeast Asia. Italy's jewellery sector continues to stand as a global benchmark for artistry and excellence. In 2024, Italian jewellery exports reached €15.65 billion, an impressive +40.91% increase from the previous year. Italy now ranks as the second-largest jewellery exporter globally and the leading exporter within the European Union, accounting for nearly 50% of the EU's jewellery exports worldwide. Singapore remains a strategic destination for Italian exports, serving as a key gateway to the ASEAN market. Despite a recent decline in export value—€83.13 million in 2024, down from €104.24 million in 2023—Italy retained its position as the second-largest EU supplier of jewellery to Singapore.

DANTE BRANDI

Ambassador of Italy to Singapore
and Brunei Darussalam

The growing collaboration between SIJE and Italian Exhibition Group (IEG)—organizer of Vicenzaoro, Italy's leading jewellery trade show—further strengthens the ties between Southeast Asia and Italy's jewellery industry. This partnership supports knowledge exchange, drives innovation, and opens new pathways for growth. As SIJE looks to expand its B2B and trade-driven components, initiatives like the Italian Pavilion reaffirm the commitment to deepening international cooperation.

TRADE COMMISSIONER'S MESSAGE

On behalf of the Italian Trade Agency, it is my honor to welcome you to the 20th edition of the Singapore International Jewellery Expo (SIJE)—a celebration of craftsmanship, innovation, and the enduring partnerships that define the global jewellery industry. This milestone event marks two decades of excellence, uniting 320 brands from 28 countries with over 14,000 industry leaders. At SIJE 2025, the Italian Trade Agency will proudly present an Italian Pavilion, featuring 20 distinguished Italian companies showcasing an exquisite array of jewellery—from handcrafted gold necklaces to the brilliance of finely cut gemstones. Beyond the pavilion, 4 additional Italian companies will exhibit independently, alongside other brands represented by 2 local partners, bringing Italy's total presence to nearly 30 exceptional brands. As Italian Trade Agency, we take great pride in bridging our centuries-old heritage of goldsmithing mastery with SIJE's dynamic Asian marketplace. The fusion of Italian design excellence and Singapore's role as ASEAN's premier jewellery hub creates unparalleled opportunities for trade, inspiration, and growth. To our Italian companies— I invite you to engage deeply, connect meaningfully, and together, elevate our industry to new heights.

Grazie mille, and Benvenuti to SIJE 2025!

GIORGIO CALVERI
Trade Commissioner for Singapore
and the Philippines
