a large marina.

Expect only the best in this new year-round destination, where the weather is always enjoyable – meaning your enjoyment will no longer be dependent on the seasons.

YACHTING HUB

An unmatched destination for boat owners and yachting enthusiasts, Sindalah's 86-berth marina and 75 offshore buoys will become a new spot for the world's most spectacular vessels; ideally-located in the Red Sea.

IMMERSE YOURSELF

With the Red Sea around Sindalah being home to more than 600 native species, adventurers can discover the rich marine life and biodiversity. All as we follow NEOM's strict sustainability and responsible design practices.

Sindalah's Red Sea location makes it a perfect hub for the international yachting community. The close proximity to Europe and the Mediterranean means easy access to our stunning 86-berth marina and the 75 additional offshore buoys for superyachts.

Home to three breathtaking hotels, offering 413 rooms – including 88 villas – as well as 333 serviced apartments, Sindalah will combine world-class hospitality, fine dining and curated events in one perfect destination. An enchanting island pulsing from day through to night, set against inspirational views.
