ICE - Italijanska agencija za spoljnu trgovinu je vladina ustanova koja se bavi promocijom i internacionalizacijom italijanskih firmi u inostranstvu, u okviru strategija Ministarstva ekonomskog razvoja Italije. ICE - Agencija pruža informacije, podršku i savetodavne usluge italijanskim i stranim kompanijama.

Osim sedišta u Rimu, ICE - Agencija raspolaže mrežom kancelarija za promociju privredne saradnje širom sveta, koje posluju u okviru italijanskih ambasada i konzulata i usko saraduje sa lokalnim vlastima i privrednicima.

Na zvaničnoj italijanskoj kolektivnoj izložbi koju ICE - Agencija organizuje u hali 1, prisutne su sledeće italijanske kompanije:

ICE - Italian Trade Promotion Agency is the government organisation which promotes the internationalisation of the Italian companies, in line with the strategies of the Ministry for Economic Development. ICE provides information, support and advice to Italian and foreign companies.

In addition to its Rome headquarters, ICE operates worldwide from a large network of Trade Promotion Offices linked to Italian embassies and consulates and working closely with local authorities and businesses.

The Official Italian Exhibition, organized by ICE, will be held in Hall 1, with the following companies:

Tokom više od 30 godina lideri smo na evropskom tržištu u distribuciji širokog spektra italijanskih i dalekoistočnih komponenti i rezervnih delova proizvođačima i profesionalcima širom sveta. Zahvaljujući dugogodišnjim poslovnim partnerstvima sa našim dobavljačima, porudžbine se isporučuju u najkraćem roku. Sa magacinom od 10.000 m² i zalihama od 12.000 artikala mi vršimo nedeljne isporuke proizvoda u evropske i ostale zemlje širom sveta.

For more than 30 years we have been leader in the European market in the supply of a wide range of Italian and Far-Eastern components and spare parts to manufacturers and professionals all over the world. Thanks to efficient long term business partnerships with our suppliers, demands are managed in the shortest time. With a warehouse of 10,000 m² and a stock of 12,000 articles we ensure weekly deliveries in European and overseas countries.

Kompanija MECCANICA INDUSTRIALE je vodeći italijanski proizvođač 4"-6" RADIJALNIH POTOPNIH ELEKTRIČNIH PUMPI marke "BELARDI".

Belardi jeve električne potopne pumpe dizajnirane su i proizvode se u potpunosti u našoj fabrici u Pomeciji (Rim), namenjene su za primenu u domaćinstvima, poljoprivredi i industriji i distribuiraju se širom sveta. Naše glavne odlike su: garancija da su proizvodi u potpunosti (100%) proizvedeni u Italiji kao i da su u potpunosti otporni na pesak.

MECCANICA INDUSTRIALE is a leading Italian manufacturer of 4"-6" RADIAL ELECTRIC SUBMERSIBLE PUMPS under the "BELARDI" brand name.

Belardi Electric submersible pumps are designed and manufactured entirely in our factory in Pomezia (Roma) for domestic, agricultural and industrial application and distributed worldwide. Our main strengths are focused on the guaranty of a product 100% made in Italy and on the structural composition of the products that are completely anti-sand.

AGRILAB D.O.O - Stefano -
info@agrilabrs.com

Kompanija Castellari srl je prisutna na tržištu više od 35 godina i bavi se proizvodnjom profesionalnih alatki za orezivanje i branje.

Zaštitni znak alatki za orezivanje kompanije Castellari je to što imaju mehanizam koji sprečava povratni udarac u zglob onoga ko ih koristi. Kompanija Castellari se posebno izdvaja po vruće kovanim sečivima i kontra-sečivima i to su odlike koje je stavljaju na poziciju lidera na tržištu.

Castellari company is present on the market for over 35 years. It manufactures professional tools for pruning and harvesting.

Castellari's trademark for pruning tools is its striking cuts that prevent kick-back on the user's wrist. Hot-forged blades and counter-blades are a distinguishing feature of Castellari that positions the company amongst the market leaders.

Kompanija GB Ricambi zalaže se za kvalitetnu i blagovremenu isporuku.

Ova kompanija proizvodi i prodaje rezervne delove za poljoprivredne mašine i mašine za zemljane radove koji mogu da zamene originalne delove.

Osnovana u Modeni 1962. godine, kompanija GB Ricambi je rasla i razvijala se tokom godina i postala neprikosnoven lider u Italiji na tržištu rezervnih delova. Postepeno širenje prodajne mreže omogućilo je ovoj kompaniji da u potpunosti pokrije italijansko tržište i otvori vrata svetskog tržišta.

GB Ricambi stands for quality and timely delivery.

The Company manufactures and sells spare parts for agricultural and earthmoving machinery which are interchangeable with original parts.

Established in Modena in 1962, GB Ricambi has grown and developed over the years, becoming the undisputed leader in Italy in the aftermarket spare parts segment. The gradual expansion of the sales network has made it possible to extensively cover the whole of Italy and open the door onto world markets.

Rasadnik Nischler je osnovan 1985. godine i ima preko 30 godina iskustva. Danas on predstavlja jedan od tri najveća rasadnika u Evropi, sa administrativnim sedištem u Silandru (Bolcano), dok je proizvodni centar kompanije u gradu Albaredo d'Adige (Verona).

Godišnja proizvodnja stabala jabuka iznosi oko 5-6 miliona, od čega su 60% Knip sadnice a 40% jednogodišnja stabla. Ona se uzgajaju na površini od oko 500 hektara, dok druge vrste rastu na ostalih 150 hektara.

The nursery Nischler was founded in 1985 and can look back on more than 30 years of experience. Today it is one of the largest tree nurseries in Europe, with administrative seat in Schlanders (BZ) and the production seat in Albaredo d'Adige (Province of Verona).

The annual production of apple trees is around 5/6 million, 60% of them are Knip plants and 40% are plants of 1 year. They are cultivated on the area of about 500 hectares, other crops grow on another 150 hectares.
